Mayor Debbie Kling and Nampa City Council:

RE: Mitch Minnette – Appointment to Nampa Development Corporation (NDC)

The NDC Interview Panel recommends Mitch Minnette for appointment to NDC to complete an existing five-year term that expires September 30, 2028.

The selection process began with an Interview Panel consisting of Robyn Sellers (Economic Development Director), Catherine Keys (NDC Secretary), Peter McPherson (Chief Operating Officer), Wendy Rhodes (NDC Chair), Randy Haverfield (NDC Commissioner and City Councilman), Dale Reynolds (NDC Commissioner and City Councilman). The panel met on April 1, 2025 and interviewed four applicants, including Mitch Minnette. The panel voted unanimously to recommend Mitch Minnette for appointment to NDC.

Mitch Minnette was chosen because of his commitment to Nampa. Minnette serves as the President & CEO of the Nampa Chamber of Commerce. His distinct vision and passionate advocacy for Nampa businesses will be extremely valuable in helping NDC develop and deliver projects benefitting our city. The Interview Panel recommends the appointment of Mitch Minnette without reservation.

Sincerely,

Robyn Sellers
