I do not want to see this going in. We can't get out on Happy Valley Rd as it is and we have had many problems with teens damaging things in our park and fences. We don't need more of that. There are many apartments in Nampa that sit empty. This location is right next to the high school and church. Please do not let this go through. We have a huge neighborhood going in as we speak that will be using Happy Valley and Amity to get in and out and it's very crowded now. We can't get out of our neighborhood.
