

City of Nampa Public Works Business Item

TO:	Mayor and Council
FROM:	Walter Olin
NUMBER:	{{section.number}}-g
DATE:	April 21, 2025
SUBJECT:	Action Item: Authorize Mayor and Public Works Director to sign Task Order with Keller Associates, Inc. for Survey, Design, and Engineer of Record Services for the Downtown Looping Across Railroad Irrigation Line project in an amount not to exceed \$197,300.00. (Standard Template) (Approved in FY25 Budget; #25-8070-015)

Background Summary:

- The Downtown Looping Across Railroad Irrigation Line project, as identified in the City of Nampa Pressure Irrigation Master Plan, will improve and perpetuate pressure irrigation (PIRR) services in the downtown area
- This project will remove and replace approximately 229 ft of existing 2" PIRR pipe (installed in 1975) with 12" pipe and install approximately 2,500 ft of 12" new PIRR pipe (Exhibit A)
- Design of the project will take place in FY25, and construction is scheduled for FY26

Reason for Project:

- This project replaces aged and undersized pipe, augments the system with new pipe, and connects the system for improve service and service life

Funding/Project Costs:

- The Downtown Looping Across Railroad Irrigation line project has an approved FY25 engineering and design budget of \$350,000.00

- Design budget was obtained from estimate provided in the Irrigation Master Plan
- The Keller Associates group provided a scope of work to provide, survey, design, and engineer of record services for \$197,300.00 (T&M NTE) (Exhibit B)
- Design will be completed in FY25. During the design process, total construction costs will be determined, which at this time are estimated to be \$1.5 million

Staff Recommendation:

- Authorize Mayor and Public Works Director to sign Task Order with Keller Associates, Inc. for Survey, Design, and Engineer of Record Services for the Downtown Looping Across Railroad Irrigation Line project in an amount not to exceed \$197,300.00
