

## City of Nampa Public Works Business Item

**TO:** Mayor and Council

**FROM:** Jeff Barnes

**NUMBER:** {{section.number}}-f

**DATE:** April 21, 2025

**SUBJECT:** **Action Item:** Authorize Mayor and Public Works Director to sign a Task Order with Parametrix for Design, Survey, and Engineer of Record services for the Alley 12th-15th Ave S & 2nd-7th St S project in the amount of \$244,220.00 (T&M NTE). (Standard Template) (Approved in FY25 Budget; #25-8060-013)

### Background Summary:

- The Alley 12th-15th Ave S & 2nd-7th St S project, consisting of approximately 3,600 ft of domestic water pipe, has been identified in the City's Domestic Water Master Plan as requiring replacement (Exhibit A)
- This project would replace the existing lines with larger 8-inch pipe, allowing for adequate fire flow in the area
- Public Works staff have reviewed the attached Scope of Work (SOW) from Parametrix (Exhibit B)

### Reason for Project:

- This area is currently marked as fire flow deficient, meaning this project is critical to provide adequate water pressure in case of fire
- The project replaces aging infrastructure reaching the end of its lifespan

### Funding/Project Costs:

- The project is budgeted for design in FY25 for \$350,000.00
- The design budget was obtained from the estimate in the Water Master Plan

- Staff negotiated a design SOW with Parametrix in the amount of \$244,220.00, not to exceed
- Construction is funded in FY26 for \$3,570,000.00

**Staff Recommendation:**

- Public Works staff recommends authorizing Mayor and Director of Water Resources to sign a Task Order with Parametrix for Design, Survey, and Engineer of Record services for the Alley 12th-15th Ave S & 2nd-7th St S project in the amount of \$244,220.00 (T&M NTE)
