November 8, 2024

Dear Mayor Kling:

The Candidate Interview Committee would like to recommend Ryan Genter to be re-appointed to another five-year term on the Nampa Design Review Committee to commence on January 1, 2025 and expire on December 31, 2029.

The committee held interviews on the 7th of November for three candidates, with the following in attendance:

- Chris Veloz, DR Chair
- Peter McPherson, Nampa City Chief Operating Officer
- Kristi Watkins, Principal Planner
- Teri Friend, Associate Planner

Ryan Genter, has been a committee member since January 2023. His experience as a building contractor brings a perspective that assists the committee to understand what is technically achievable, the products that are readily available to local builders and what is realistic for the committee to request from the applicant, when it's necessary. He states that he would like to continue to help maintain and improve the quality of Nampa's growth.

We feel fortunate that Mr. Genter is willing to commit his time serving Nampa in this way and would like to request that the Mayor and City Council re-appoint him to the Nampa Design Review Committee.

Thank you for your time and consideration in this matter.

Sincerely,

A handwritten signature in blue ink that reads 'Kristi Watkins'.
