To Whom It May Concern:

As a resident of the block where this change is proposed, I would like to submit the following questions:

- 1) How will the proposed change affect our property values in this neighborhood?
- 2) Will changing the zoning to include multi-family homes open the door for more of the same in our neighborhood?

We purchased our home recently, as part of a neighborhood of single-family homes. We oppose the idea of turning it into a multi-family residence block. Thank you for your understanding.

Sincerely,

Lesley Eckles
