<b>DATE:</b>	November 4, 2024
<b>SUBJECT:</b>	<b>Action Item:</b> Authorize Mayor and Public Works Director to sign Task Order with Paragon Consulting Inc. for the Garrity Traffic and Safety Improvements design project in an amount not to exceed \$163,440.00. (Standard Template) (Approved in FY25 Budget; #25-8040-016)

---

### Background Summary:

- This project is meant to complete design along Garrity Boulevard and the WinCo Block to improve traffic operations and reduce crashes
- The project breaks the region into five areas that can be constructed separately or together (Exhibit A)
  - It is the intent of staff to construct these projects together

### Reason for Project:

- Drivers using Garrity Boulevard around the WinCo Block area experience vehicle delay and long vehicle queues
- In addition to congestion, the area around WinCo Block has a high frequency of crashes
- Preliminary design and analysis have identified several countermeasures to reduce congestion and make the area safer

### Funding/Project Costs:

- Design for the project is estimated to cost \$163,440.00. This is an impact fee funded project and is approved in FY25 budget

- This will include complete design plans, right-of-way documentation, and preparation of an engineering estimate for construction (Exhibit B)

**Staff Recommendation:**

- Public Works staff recommend authorizing Mayor and Public Works Director to sign a task order with Paragon Consulting Inc. for the Garrity Traffic and Safety Improvements design project in an amount not to exceed \$163,440.00
