Mayor spoke on moving the Council regular meeting start time from 5:30 PM to 5:00 PM and the monthly Workshop to a later time than the current 7:00 AM. She stated that this discussion was needed as Council meetings were going late into the evening, with public and staff still in the audience at those late hours.

Discussion ensued on various options in order to obtain the goal of completing New Business items before starting the Public Hearings and having adequate time for the Public Hearings without needing to go late into the evening. There was also discussion on moving more items to Consent Agenda.

Council consensus was, starting with the first November meeting, to move the start time of regular meetings from 5:30 PM to 5:00 PM, keep the Public Hearing start time at 6:00 PM, keep the monthly workshop start time at 7:00 AM, and consider having Executive Sessions at a Special Meeting on a week that Council does not meet.
