

City of Nampa Public Works Business Item

TO:	Mayor and Council
FROM:	Crystal Craig
NUMBER:	{{section.number}}-f
DATE:	November 4, 2024
SUBJECT:	Action Item: Authorize purchase of one (1) Aries Industries Voyager stormwater inspection camera for the Streets Division from Sourcewell Contract Number 120721-ARS with an estimated purchase price of \$108,976.00. (Approved in FY25 Budget; #25-8040-003)

Background Summary:

- Idaho code 67-2807 authorized political subdivisions to utilize cooperatives
 - Sourcewell purchasing group process allows any governmental agency to use the bid of another governmental agency to establish the price for procurement
 - Initial processes must satisfy the public bidding rules and the supplier must be willing to honor the price
- The camera will be purchased from Aries Industries Inc under the Sourcewell Contract Number 120721-ARS

Reason for Project:

- The current stormwater inspection camera utilized by the Street Division is aging and nearing end of life
- The Aries Industries Inc 120721-ARS camera system is compatible with the previous model of camera, allowing Streets to utilize components of the old system with this new model

Funding/Project Costs:

- The estimated purchase price for the storm water inspection camera on the Sourcewell Contract Number 120721-ARS is \$108,976.00 (Exhibit A)
- This request was approved by Council in the Fiscal Year 2025 budget process, \$105,000.00, and supports the needs of the Division
 - The remaining \$3,976.00 will be paid from savings from the Cirrus Snow Controllers

Staff Recommendation:

- Street Division staff recommend authorizing the purchase of one (1) Aries Industries Voyager storm water inspection camera from the Sourcewell Contract Number 120721-ARS for the City's Street Division for the estimated purchase price of \$108,976.00
