

**RESOLUTION NO. \_\_\_\_\_**

**A RESOLUTION OF THE CITY OF NAMPA, CANYON COUNTY, IDAHO, AMENDING THE NAMPA 2040 COMPREHENSIVE PLAN FOR THE CITY OF NAMPA, CHAPTER 7 REGARDING THE PUBLIC SERVICES, FACILITIES, UTILITIES, AND NATIONAL INTEREST ELECTRICAL TRANSMISSION LINES; PROVIDING FOR AN EFFECTIVE DATE; PROVIDING FOR SEVERABILITY; AND REPEALING ALL ORDINANCES, RESOLUTIONS, ORDERS AND PARTS THEREOF IN CONFLICT HERewith.**

**WHEREAS**, the Nampa 2040 Comprehensive Plan for the City of Nampa, as amended ("Comprehensive Plan") is the current Comprehensive Plan for the City, and the City desires to amend the text, certain exhibits, and the Future Land Use Map, which is contained in the Comprehensive Plan as provided herein, pursuant to Idaho Code §50-302, to establish resolutions not inconsistent with the laws of the state of Idaho as may be expedient in addition to the special powers therein granted to maintain the peace, good government, and welfare of the corporation and its trade, commerce, and industry; and

**WHEREAS**, the City Planning staff recommended approval of the Amendments to the Nampa City Council;

**WHEREAS**, the Mayor and Council conducted a public hearing regarding the amendments to be made to Chapter 7 on October 21, 2024, have deemed it appropriate to amend the language of Chapter 7 of the Comprehensive Plan to determine how and where resources could be distributed and planned for in the future and update language within the Chapter, and

**WHEREAS**, the Mayor and City Council have provided all the requisite notices, held the necessary hearings, and received the required information necessary to make a final decision as required by the Idaho Local Land Use Planning Act to amend the adopted Comprehensive Plan.

**NOW, BE IT RESOLVED by the Mayor and City Council of the City of Nampa, County of Canyon, State of Idaho as follows:**

**Section 1.** Pursuant to Idaho Code §67-6509, the Mayor and City Council hereby amend the City of Nampa Comprehensive Plan as incorporated herein. A copy of this Resolution shall be held on file in the office of the City Clerk.

**Section 2. EFFECTIVE DATE.** This Resolution shall be in full force and effect upon its adoption and approval.

**Section 3: Comprehensive Plan of the City of Nampa Chapter 7.2.8.3 - Development Impact Fee Program.** It is hereby amended as follows:

...

Currently there are ~~four~~ three areas within the City of Nampa that can receive impact fees. These are:

- Police Department

● ~~Fire Department~~

- Parks Department (supported solely by residential development)
- Streets (only covers Nampa's bridges, traffic signals or round-a-bouts)

The City of Nampa Building Department collects and remits impact fees as a cooperative and service for the Nampa Fire Protection District (NFPD). The NFPD contracts for its own impact fee study and capital improvement program.

...

**Section 4:** Comprehensive Plan of the City of Nampa **Chapter 7.3.2 – Public Safety – Fire Protection.** It is hereby amended as follows:

The ~~Fire Department~~ Nampa Fire Protection District currently serves its citizens from ~~5-fire stations~~ 6-fire stations, a training facility and administration office. ...

**Section 5:** Comprehensive Plan of the City of Nampa **Chapter 7.3.2.1 – Fire Department Services.** The title is hereby amended as follows:

**7.3.2.1 Fire ~~Department~~ Protection District Services**

**Section 6:** Comprehensive Plan of the City of Nampa **Chapter 7.3.2.2 – Fire Department Staffing.** The title and language is hereby amended as follows:

**7.3.2.2 Fire ~~Department~~ Protection District Staffing**

The Nampa Fire ~~Department~~ Protection District has ~~77~~ 106 contract employees including firefighters and an administration staff of ~~12~~ 14. The NFD serves a population of 119,220 within 82 square miles.

**Section 7:** Comprehensive Plan of the City of Nampa **Chapter 7.3.2.4 - Fire Response (NFPA 1710).** It is hereby amended as follows:

The standard to which the Nampa Fire ~~Department~~ Protection District response performance is measured is the National Fire Protection Association Standard for the Organization and Deployment of Fire Suppression Operations, Emergency Medical Operations and Special Operations to the Public by Career Fire Departments (NFPA 1710). The Nampa Fire ~~Department~~ Protection District has established the following objectives:

- **80 seconds for turnout time for fire and special operations response.** (Alarm time to unit en route).
- **60 seconds for turnout time for EMS response.** (Alarm time to unit en route).
- **5 minutes, 20 seconds or less response time for the arrival of the first engine company** and 9 minutes, 20 seconds response time for the arrival of all other fire units dispatched to a fire suppression or special operations incident. (Alarm time to units arriving at the incident scene).
- **5 minute or less response time for the arrival of unit at emergency medical incidents.** (Alarm time to unit arriving at the incident scene).

The Nampa Fire ~~Department~~ Protection District is striving to achieve these response objectives on at least 90% of all emergency incident responses.

To accomplish these response time objectives requires that travel distances be approximately 1½ miles from the nearest fire station. **As Nampa's City limits expand, so will the need for additional fire stations.** ~~In addition, the City contracts with the rural fire district which provides an additional revenue stream.~~

**Section 8:** Comprehensive Plan of the City of Nampa **Chapter 7.3.2.5 - Fire Department Insurance Rating.** The title is hereby amended as follows:

#### **7.3.2.5 Fire ~~Department~~ Protection District Insurance Rating**

The Idaho Survey and Rating Bureau currently has the City of Nampa at a Class-2 fire insurance rating. This rating system uses a scale of 1-10 to rate fire protection services with 1 being the best possible rating. Several of Idaho's larger cities have achieved a Class-3 rating; however, Nampa Fire ~~Department~~ Protection District is the only Class-2 rated City in the State, with parts of the rural district ranging from a Class 4 to a Class 8. Nampa's citizens and businesses directly benefit from this rating by enhanced fire safety and reduced fire insurance premiums on their homes and businesses.

**Section 9:** Comprehensive Plan of the City of Nampa **Chapter 7.3.2.6 – Water Supply.** It is hereby amended as follows:

The Nampa Fire ~~Department~~ Protection District has encountered several cases where buildings in commercially zoned areas don't meet fire code requirements for water supply. **To facilitate business and commercial growth, the Fire ~~Department~~ Protection District anticipates partnering with the City's and County's Engineering Division ...**

**Section 10:** Comprehensive Plan of the City of Nampa **Chapter 7.3.3 – Public Safety – Emergency Medical Services (EMS).** It is hereby amended as follows:

Treasure Valley Medical Service System (TVEMSS) consists of ~~eight~~ six local agencies that have joined to form the Treasure Valley EMS System. All Six of these agencies are under one EMS license and they include: Canyon County Paramedics, Nampa Fire Protection District, Caldwell Fire, ~~Middleton Fire~~, Melba QRU, Homedale Ambulance, and Wilder Fire. ~~Two agencies are affiliated with TVEMSS but retain their own license and they are: Homedale Ambulance and Kuna Fire.~~ The goal is to pool resources and make decisions for resource allocation, communications, medical direction, education, improve continuity of care on scenes and overall treatment and PT outcomes.

Canyon County Paramedics is a fully staffed Emergency Medical Service provider with approximately 70 employees consisting of Paramedics and Emergency Medical Technicians. They operate out of 8 stations to maximize coverage and reduce response time to all 911 emergency calls.

Like so many services tied to the community, the police, ~~fire~~ [Fire Protection District](#), and other public safety providers continually try to upgrade and improve their services. ...
