## Innovative Transportation Solutions Award for the “Nampa That Snowplow” Contest

The “Name That Snowplow” contest gave elementary students the opportunity to name a snowplow for the most recent winter season.

This innovation was a team effort by our entire Nampa Streets Division, Stephanie Baldwin of our Traffic Division and Kaitlyn Votroubek in Communications.

**NAME THAT SNOWPLOW  
CAMPAIGN**

# Local elementary students name nampa's snowplows for the first time ever!

- Students voted for their favorite name out of a list provided to each grade level and the teachers submitted the class favorite.
- We wanted to celebrate the winter season and to recognize our Nampa Streets crew whose hard work and dedication helps improve road conditions and safety for our community.
