RE: Request for Deferral for Nampa City Code (NCC) 9-3-1

This letter is to request deferral of Nampa City Code (NCC) 9-3-1 for the new office building for Idaho Precast at 1319 Madison Ave. Based on the existing conditions and surrounding properties the improvements per the Code would be the only improved to these standards and not match the existing properties. Base on that we requested a deferral of these requirements at this site.

A handwritten signature in black ink, appearing to read "Tab Buckner", with a long horizontal line extending to the left.
