

City of Nampa Engineering Business Item

TO:	Mayor and Council
FROM:	Daniel Badger
NUMBER:	{{section.number}}-a
DATE:	July 5, 2023
SUBJECT:	Action Item: Authorize the Engineering Division to proceed with the bidding process for the Annual Waterline Replacement Zone G project (Approved in FY23 Budget)

Background Summary:

- Project was previously bid in 2021
- City pre-qualified bidders
- City received one bid from a pre-qualified bidder, however, due to excessive costs, bids were rejected
- CONSOR North America, Inc. (CONSOR) is updating the plans and specifications
- Contractor prequalification requirements have been removed
- Engineering has reviewed the 95% submittal and is awaiting final PS&E submittal

Reason for Project:

- Upgrade approximately 2,600 feet of undersized domestic water mainline to provide adequate fire flow for the area.

Funding/Project Costs:

- Anticipated overages of \$323,384 will be paid via ARPA dollars
- CONSOR has provided a construction estimate for the project of \$1,515,500
- Approved project budget is \$1,192,116

Staff Recommendation:

- Authorize the Engineering Division to proceed with the qualified bidding process for the Annual Waterline Replacement Zone G project
