

## City of Nampa Business Item

---

<b>TO:</b>	Mayor and Council
<b>FROM:</b>	Tony Blasius
<b>NUMBER:</b>	{{section.number}}-6
<b>DATE:</b>	May 18, 2023
<b>SUBJECT:</b>	Action Item: Authorize Parks and Recreation to initiate the order of 60 replacement golf carts for the Centennial Golf Course in an amount not to exceed \$490,720. (FY24 Budget)

---

### Background Summary:

Centennial Golf Course requests authorization to purchase 60 EZGO golf carts. The golf cart purchase will be expensed in the 2024 fiscal year. It is important that we have the new golf carts prior to the 2024 golf season starting March 1, 2024. The reason we are requesting to order the golf carts now is due to the long lead time it takes for delivery.

### Reason for Project:

The current fleet of carts that will be replaced at Centennial Golf Course are between eight and nine years old. Because the golf carts are old, they are not in satisfactory condition. Newer carts have a lithium-ion battery and are more energy efficient.

Golfers who rent the carts have expectations that they will be getting a cart in good condition. It is important for future business that we are offering a good product. Golf carts at Centennial Golf Course generate revenue and bring in between \$350,000 - \$400,000 each year.

### Funding/Project Costs:

The procurement method is through Omnia, which is a government purchasing cooperation. The expense of the golf cart purchase, not to exceed \$470,720, is being requested in the FY24 Budget.
