No grant funds may be obligated or spent until the award is fully executed in GMS, unless prior approval has been granted by PGR. PGR makes this award based on the facts and conditions described in the subgrantee's application. Any changes thereto must be made and approved by PGR.

The subgrantee must allow PGR and auditor access to their records and financial statements as necessary for PGR to meet the requirements of 2 C.F.R. § 200. Subgrant reporting and closeout requirements are detailed in the General Acceptances.

Federal STOP funds are awarded by the Office on Violence Against Women to ISP PGR, the pass-through agency for STOP funds in Idaho. ISP Colonel Bill Gardiner (awarding official) can be reached by contacting PGR at (208) 884-7040 or pgr@isp.idaho.gov.

The signatory hereby certifies that he/she is the Executive Official or has been formally designated as the signing authority by the appropriate governing body or official of the subgrantee entity and accepts the above described grant award on its behalf, agreeing to all terms and conditions set forth herein or incorporated by reference in GMS. Furthermore, Jeannie Strohmeyer & Jennifer Perry hereby certify that as the Project Director and Financial Officer named in the application they have read, agreed to, and will comply with the Special Conditions and Grant Acceptances during administration of this grant. By accepting the award in GMS, the subgrantee agrees to the

acceptances and special conditions of this award. The grant must be administered in conformity with the administrative policies and fiscal requirements of ISP, the Department of Justice (DOJ) Office for Civil Rights, Office on Violence Against Women, STOP, and the DOJ Grants Financial Guide. Information regarding the signing authority, or the delegation of such authority, will be placed in a file maintained by the Project Director and available on-site for immediate review.

This subaward document must be printed, signed by the Executive Official of the Applicant Agency, scanned, and attached to the project in GMS.
